

NGO GABRIEL DOCS

For Faith Based Organizations

A practical guide for churches, dioceses, and missions using NGO Gabriel to grow impact.

What is NGO Gabriel for faith based organizations

NGO Gabriel serves churches, dioceses, missions, and faith based development organizations with the same opportunity intelligence used by leading NGOs, tuned for the priorities of faith communities.

This guide is written for pastors, mission leads, and administrators who want to grow their ministry's impact without adding administrative burden.

How we do it

- Monitoring of faith aligned funders, foundations, and diaspora initiatives.
- Tracking of community development, education, health, and youth programs.
- Intelligence on partnership opportunities with denominational networks.
- Discreet handling of your ministry's sensitive information.

Benefits for faith based organizations

- Discover grants specifically open to faith based applicants.
- Find partners that share your values and long term vision.
- Strengthen social programs with sustainable outside funding.
- Free clergy and staff from time consuming grant hunting.
- Report progress to elders, boards, and congregations with clarity.

Getting started

The platform is designed to fit into the rhythm of ministry life.

Step 1: Ministry profile

- Describe your ministry, congregations served, and outreach programs.
- List your service areas such as education, health, orphan care, or livelihoods.

- Add governance and financial accountability details.

Step 2: Activate your agent

- Select a package suited to your ministry's size.
- We tune monitoring toward faith aligned and community focused funders.
- Your dashboard begins receiving matched opportunities within days.

Step 3: Steward the pipeline

- Assign a coordinator to review daily matches.
- Track applications from prayer to proposal to award.
- Share brief reports with leadership and partner churches.

Best practices

- Keep a simple record of every application to build learning over time.
- Combine multiple small grants into one coherent program strategy.
- Use partnership matches to strengthen inter church collaboration.
- Communicate wins to your congregation to build ownership.

Support
